

# NO MATTER WHAT THE PROJECT MONOPOLE HAS A GREEN SOLUTION

## Recommended Primers:

- **MONOCHEM 21:** For non-porous, sealed, glazed substrates or surfaces coated with an existing oil/solvent-based or unknown product.
- **ULTRA-PRIME:** For porous unpainted or previously painted (acrylic) surfaces.

## Elevated Decks / Parking Structures: SYSTEM 330/200

- Contact Monopole Technical Support and read the technical data pages prior to product application.

## Concrete Stain, Water Repellents & Sealers:

- **AQUASEAL STAIN-** Acrylic semi-transparent & opaque concrete finishes. Choice of unlimited colors.
- **PERMASEAL & AQUASEAL W20-** Concrete hardeners, dustproofers and sealers. USDA approved.
- **AQUASEAL-** Clear, flat penetrating Water Repellents for concrete, wood, masonry and stucco.
- **AQUASEAL PAINT ADDITIVE-** Acrylic additive for water base paints and stains. It maximizes the life and water repellancy of the paint. It will not alter the color or the sheen and can be topcoated anytime.

## PERMASHIELD Graffiti Control Coatings:

- **PERMASHIELD SACRIFICIAL-** Removes graffiti 1 time. Zero VOC & Low Fumes.
- **PERMASHIELD NON-SACRIFICIAL-** Removes graffiti up to 5 times. Low VOC & Low Fumes.
- **PERMASHIELD PREMIUM-** 10-year unlimited graffiti removal warranty. Zero VOC & Low Fumes.

## High Performance GREEN Floor Coatings:

- **PERMASHIELD 200-** 2-Part water based aliphatic polyurethane. Very durable providing the highest chemical staining and hot tire resistance. Available in clear or colors.
- **PERMASHIELD 2000-** 2-Part 100% Solids Polyurea (Fast Cure). Can be driven over in 20-24 hours. Zero VOC. Available in clear or colors.
- **MONOCHEM 21-** 2 part 100% solids epoxy. Will stick to almost any surface and is a very durable against chemicals and hot tire pick-up. Available in clear or colors.

## Decorative Flooring Additives

Plastic Chips, Color Micras & Color Quartz Granules

### Color Chips - 1" Standard Size

### Color Micras - 1/4" Standard Size

# MONOPOLE STANDARD COLORS

**DEX-COAT** is a water-based, acrylic deck coating that forms a tough finish for all exterior/interior floor surfaces. It has outstanding durability and its abrasive-resistance quality assures excellent wear even in heavy traffic areas. It displays high resistance to alkali, acids, UV exposure and moisture. When cured, **DEX-COAT** remains elastic and will contract and expand with temperature and weather variances.

## **BASIC USES - For porous substrates only**

**DEX-COAT** can be applied to properly prepared latex painted or unpainted concrete, cement, wood, masonry, metal, and asphalt.

**Easy Maintenance:** Whenever a touch up is desired, just TSP the sound **DEX-COAT** and reapply one coat.

## **TYPICAL USES:**

- Walls & Floors
- Porches & Patios
- Tennis/Basketball Courts
- Decks
- Walkways
- Swimming Pool Areas
- Wood Gates
- Non-Skid Floors

## **FEATURES:**

- Low VOC
- Outstanding Color & Gloss Retention
- Easy Maintenance
- Low Gloss
- Available in a smooth or non-skid (textured) finish
- MPI Approved Product:** MPI # 127 Deck Coating, Latex, Exterior
- Very Low Odor
- Choice of Colors
- Flexible Elastomer
- Durable

**Stairways**

**Tennis Courts**

## **SUGGESTED PRIMERS:**

**Ultra-Prime:** Ideal for top coating water based acrylic / latex paints, wood, concrete or stucco.

**Monochem 21:** Ideal for top coating oil/solvent/alkyd/unknown or water based coated surfaces. Easily adheres to non porous surfaces like marble, glazes and very smooth concrete.

## **PACKAGING:**

### **One-Gallon Cans or Five-Gallon Pails**

**DEX-COAT** is available in either smooth or textured, clear base or white base and can be tinted to any color using Universal Colorants.

Item No. 2600: Smooth White Base - *Short-Fill: 8 OZ/Gal*

Item No. 2700: Textured White Base - *Short-Fill: 8 OZ/Gal*

Item No. 2800: Textured Clear Base - *Short-Fill: 12 OZ/Gal*

Item No. 2900: Smooth Clear Base - *Short-Fill: 12 OZ/Gal*

*ALWAYS apply a test patch to check for adhesion, compatibility and proper results.*

**104 ADOBE**

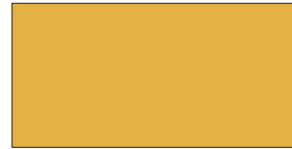

**106 MAHOGANY**

**137 FOREST GREEN**

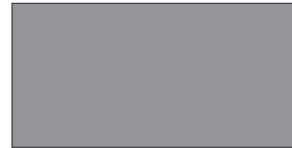

**139 RUSTIC RED**

**151 DESERT GOLD**

**153 SONORA TAN**
